POWERING

THE NEXT WAVE OF AUTOMATION AT AUTOMEX PENANG 2026

Following its successful debut in Penang, AUTOMEX Penang 2026 returns to **Setia SPICE Convention Centre from 3 – 5 November 2026**, bringing together technology providers, manufacturers and industry professionals from across Northern Malaysia.

As businesses accelerate the adoption of automation and smart manufacturing, AUTOMEX Penang provides a dedicated platform to discover practical technologies, connect with solution providers and explore new opportunities. Covering industrial automation, robotics, smart logistics & supply chain, and E&E manufacturing, the exhibition showcases technologies designed to address real industrial needs – from improving productivity and material flow to optimising operations.

Across three days, visitors can see automation in action, explore innovative solutions, gain industry insights and connect with key industry players.

SHOW INFORMATION

3 – 5 November 2026

Setia SPICE Convention Centre

OPENING HOURS:

3–4 November	10:00am – 5:00pm
5 November	10:00am – 4:00pm

YOUR 3-DAY EXPERIENCE AT AUTOMEX PENANG

See It. Experience It. Connect with It.

AUTOMEX Penang 2026 is more than an exhibition floor. It is a platform designed to help businesses discover technologies, solve challenges and make meaningful connections.

SEE
Automation, robotics and smart technologies in action.

DISCOVER
Explore new equipment, systems and solutions from leading technology providers.

LEARN
Gain insights into the latest trends shaping automation, semiconductors and smart manufacturing.

CONNECT
Meet solution providers, engineers, manufacturers and industry decision-makers.

SOURCE
Identify technologies and partners that can help solve your operational challenges.

WHAT YOU CAN EXPECT

6,000+
TRADE ATTENDEES

300+
BRANDS & COMPANIES

6,000+
SQM EXHIBITION SPACE

Live Automation Technologies
See robotics, automation systems, smart technologies and industrial applications operating in real time.

Industry Insights & Knowledge Sharing
Gain practical knowledge and perspectives on the technologies and trends shaping industrial automation.

Business & Networking Opportunities
Connect with solution providers, potential suppliers, industry peers and business partners.

WHY PENANG?

Malaysia's Semiconductor & Advanced Manufacturing Powerhouse

Known as the "Silicon Valley of the East," Penang is a leading hub for semiconductors, E&E and advanced manufacturing, supported by a strong network of global manufacturers, technology companies and SMEs.

As industries accelerate the adoption of automation, robotics, AI, machine vision and smart manufacturing, demand for technologies that enhance productivity and efficiency continues to grow.

AUTOMEX Penang 2026 puts automation at the heart of this ecosystem — connecting solution providers with the companies driving Malaysia's next wave of industrial transformation.

MALAYSIA SEMICONDUCTOR INDUSTRY ASSOCIATION (MSIA) RETURNS AS STRATEGIC PARTNER FOR AUTOMEX PENANG 2026

AUTOMEX Penang 2026 is proud to welcome the Malaysia Semiconductor Industry Association (MSIA) as Strategic Partner once again, bringing together the worlds of automation and semiconductor technology on one platform.

As part of this collaboration, the **Silicon Malaysia Conference (SMC) 2026 takes place on 3 November 2026 at Setia SPICE Convention Centre**, bringing together semiconductor leaders, technology experts and industry stakeholders for high-level discussions on the technologies, trends and opportunities shaping Malaysia's semiconductor industry.

Following SMC 2026, MSIA presents the **Yole Group Executive Masterclass on 4 November 2026** – an exclusive technology and market intelligence programme led by experts from Yole Group, a globally recognised semiconductor market research and strategic consulting firm. From strategic industry perspective to in-depth technical insights, visitors can gain a deeper understanding of the technologies shaping the future of semiconductors and discover how innovation is driving the next generation of industrial growth.

WHO SHOULD ATTEND?

AUTOMEX Penang 2026 welcomes professionals looking to discover, evaluate and implement automation technologies across their operations.

- Manufacturers and Industrial Operators
- Engineers, Technical, Automation and Robotics Professionals
- E&E, Semiconductor, Logistics and Supply Chain Professionals
- Business Owners and Decision-Makers
- Technology Providers and Industry Partners
- Researchers and Students

DISCOVER INDUSTRY LEADERS IN AUTOMATION TECHNOLOGY

INDUSTRY AUTOMATION
- Electronic Components & Equipment
- Industrial Automation
- Precision Metrology
- R&D and Related Services
- Robot Technology
- Semiconductor
- Smart Manufacturing
- Smart Warehouse
- Vision Technology

ELECTRICAL & ELECTRONICS (E&E) MANUFACTURING
- Cable and Conductors
- Electronic Manufacturing Service (EMS) Providers
- Electronics Manufacturers
- Environmental and Sustainability Solution Providers
- Renewable Energy Companies
- Research and Development

SMART LOGISTICS & SUPPLY CHAIN
- Automated Guided Vehicles
- Automated Storage and Retrieval System
- Conveying Systems
- Eco-Palleting System
- Industrial Trucks and Forklifts
- Labelling Systems & Identification
- Lifting Platforms
- Logistics IT
- Packaging and Order Packing Systems
- Racking Systems
- Research & Development
- Storage & Retrieval Equipment
- Space Solutions Providers
- Supply Chain Management Systems
- Training & Education
- Turnkey Systems for Logistics
- Unmanned Aerial Vehicle
- Warehouse Management Systems

BOOK YOUR EXHIBITION BOOTH TODAY

AUTOMEX Penang exhibition booths offer great value and all the convenience and amenities you need for a successful exhibition. Choose from our options below:

BOOTH SPECIFICATIONS

Bare Space

Rent a space and customise your booth design according to your preferences.
Minimum rental size – Twenty-Seven (27) Square Meters (m^2)

Shell Scheme

This package offers a complete build-up scheme, which simplifies stand design concerns for exhibitors. It includes basic infrastructure such as walls, lighting, and flooring.
Minimum rental size – Nine (9) Square Meters (m^2)

Shell Scheme package includes:

- 1 x Information Counter
- 2 x Fluorescent Tubes
- Needle Punch Carpet Flooring
- 1 x Waste Paper Basket
- Fascia Board with Exhibitor's Name and Booth Number
- White Laminated Plywood
- Panel with Aluminium Pole wherever applicable
- 1 x 13 Amp Single Phase Power Point
- 2 x Folding Chairs
